Dear Ms. Ivashkina:

The Board of Directors, Management and Staff of the Jefferson Financial Federal Credit Union wish to extend our congratulations to you and the Russian Credit Union system as you celebrate your 25th Anniversary and jubilee!

On July 23, 2013, it was my privilege to sign an International Credit Union-to-Credit Union Partnership Agreement, with RCUL Chief Executive Ruslan Imayev. It was from that day forward that we have enjoyed a new beginning in our credit union lives.

Everyone at Jefferson Financial who had the pleasure of meeting with members of the Russian League, has extended themselves more deeply into their careers. The relationship broadened their appreciation of the industry and has taught them the meaning of serving in a true cooperative system. They can be found telling stories of their visits to Russia, Singapore, and Vienna, meeting with you all and life-long experience it was for them.

Again, a warm congratulations to you as you continue your celebration. We look forward to many more meetings with you all.

Mark Rosa,
CEO
